Dedication

Jack Walker

The class of 1982 wishes to extend its sincere thanks to our assistant principal **Mr. Jack Walker**. Throughout our high school years he has devoted his time and patience to our problems and shared his confidence in us and in all we have chosen to do. But especially, we thank him for his continuing efforts in guiding us along the path of life.

A black and white photograph of a large group of students, likely a school spirit squad, posing on bleachers. They are all cheering with their arms raised in the air. The students are dressed in casual attire typical of the late 1970s or early 1980s. The bleachers are made of wood and metal. In the foreground, a white bucket sits on the grass. The entire photograph is framed by a decorative black border with stylized floral or leaf motifs at the corners.
